

**Your boosted Miata  
looks like stock on the outside**

**Show Stopper Special  
Fast Forward  
Superchargers'**

**COLDSIDE  
\$3325**

**Looks like it came from  
the factory inside too**

PR Motorsports is offering an event "package discount" on  
**Fast Forward Superchargers' COLDSIDE** supercharger and installation.  
FFS (CARB legal) packages -- \$3325 plus shipping (regularly \$3695 -- a 10% discount)  
Timing Card to go with the kit (highly recommended) \$225 when purchased with the kit (normally \$300)  
Installation Labor \$1395 (regularly \$1495)

Kits must be purchased before the end of the event (April 11th) to qualify for the discounts,  
however installation does not have to be made prior to that date.

- \* Eaton/Magnuson MP62 Supercharger
- \* 190-225 RWHP
- \* CARB Approved (190 WHP Only)
- \* Drivability better than stock
