

Miatas at MRLS Technical Inspection Form

Name _____ Inspection Date _____

Signature _____

Vehicle Year _____ Color _____ Car # _____

The purpose of this document is to act as a summary verification that the aforementioned vehicle is in good operating condition and capable of safe operation at high speeds on a closed road course. It is also understood that it is the sole responsibility of the participant to insure that his or her vehicle has met these requirements and has been properly inspected. This form is a summary of the more detailed inspection guidelines which can be found on the Miatas at MRLS website.

Please note that all vehicles must be equipped with 6-point roll bars or cages. The factory bars in the NC is acceptable for run groups C and D only. 'Style Bars' do not meet these requirements and are not allowed other than on parade laps.

Check or 'X' the boxes below that you have inspected. Circle the boxes you have not inspected or those that may not meet the minimum standards.
